

Dear Public Service Director,

At ChildFund, we believe "hope" is action – carving a path forward even when it's hard. And that's a message the world needs right now, in these uncertain times.

What hope looks like for ChildFund – and has for over 85 years – is helping millions of children living in poverty worldwide to grow up healthy, educated, skilled and safe.

Our new PSA, "Hope," inspires listeners with a window into how ChildFund does this – and reminds them that we're all in this together ... that we need each other, that *each of us* matters.

By airing these new "Hope" ChildFund PSAs (in 60- 30- and 15-second lengths) as often as possible, you can deliver this uplifting message to your listeners. The spots can be aired immediately and have no expiration date.

Hope includes you! Thank you in advance for supporting this campaign and making a meaningful difference for children in need.

Sincerely,
